Letter from the Houston County Superintendent of Schools: Dr. Richard Rogers

Dear Graduates,

Congratulations to the Class of 2026! As you prepare to reach this incredible milestone, I hope you take time to reflect on just how much you have accomplished during your years in the Houston County School District. Graduation is a celebration of your hard work, perseverance, growth, and the memories and relationships that helped shape who you are today.

Throughout this school year, I've had the opportunity to visit many of our schools and see firsthand the talent, determination, kindness, and leadership within this graduating class. You have represented your schools and our community well in academics, athletics, fine arts, career pathways, service opportunities, and so many other areas.

No matter what path comes next, I hope you move forward with confidence in yourself and in the foundation you have built during your years in Houston County. The future will bring challenges, but it will also bring opportunities to grow, lead, and make a difference in the lives of others.

As you begin this next chapter, remember to stay true to who you are, work hard, and continue to treat others with kindness and respect. Never

underestimate the impact you can make in the world around you.

On behalf of the Houston County School District, congratulations once again. We are excited to see all that you will accomplish, and we will always be cheering you on.

Sincerely,

Dr. Richard Rogers

Superintendent of Schools

Best in Class - the Valedictorians & Salutatorians

Houston County High

Michael Do - Valedictorian

Michael Do is the son of Minh Do and Michelle Tan and the brother of Melissa Do. Michael is involved in various extracurricular and academic activities.

He is the Founder and Chief Executive Officer of NextGen Coders, a 501(c)(3) nonprofit organization that partners with over eight organizations across Middle Georgia to expand access to computer science education, reaching more than 1,200 students. Through weekly classes, summer camps, and coding competitions, he works to grow STEM opportunities for youth throughout the region.

He serves as the Lead Artificial Intelligence Researcher at the Middle Georgia State University School of Computing, where he developed a code-generation AI chatbot for Robins Air Force Base and published a first-author research paper on enhancing human-robot interactions in a top-quartile peer-reviewed journal.

Michael has also held numerous leadership roles, including State Parliamentarian and Local Chapter President of Future Business Leaders of America, where he served over 25,000 student leaders across Georgia. He is a two-time Lead Software Developer Intern at the Georgia Tech Research Institute, contributing to the development of an autonomous precision agriculture robot and conducting research on low-cost sensor integration.

Additionally, Michael served as National East Coast Representative and International Rural Outreach Committee Member for Young Investors Society, representing over 19,000 high school students in initiatives promoting financial literacy. Within his school community, he was Founder and President of the Coding Club, President of the National Technical Honor Society, two-time Class President, and one-time Class Vice President.

A dedicated athlete, Michael is the Varsity Tennis Team Captain, leading his team to four county championships and earning one-time All-Region First Team and two-time All-Region Second Team honors.

In his free time, Michael enjoys cooking with his sister, playing pickleball with friends, and eating dishes from various cuisines.

Michael plans to attend the Georgia Institute of Technology, where he will pursue a dual major in Computer Science and Mathematics, with aspirations of becoming a quantitative analyst and eventually founding his own AI tech startup.

Nishant Kunwar - Salutatorian

Nishant Kunwar was born in Butwal, Nepal, and moved to the United States at the age of one. He has primarily lived in Georgia, where he grew up with his family: his mother, Shanta, his father, Ishwari, and his older brother, Gaurav.

During high school, Nishant was involved in both academic and extracurricular activities. He founded Future Medical Scholars of America, a club created to bring together students interested in healthcare. Through this club, students were able to explore medical fields, contribute to their local community, and engage with peers who share similar interests.

Nishant has also been a dedicated student-athlete. He played soccer for Houston County High School all four years of high school. His involvement in soccer extends beyond high school, as he has played the sport since kindergarten, being a part of local club teams and even the Georgia ODP state team.

Outside of school, Nishant enjoys playing video games, building LEGO sets, and doomscrolling on his phone. These activities serve as a way for him to relax, alleviating any stress or pressures that may arise from school or sports.

After graduation, Nishant plans to attend college and major in biology on a pre-med track. He intends to pursue medical school and a career as a medical professional. In addition, he hopes to one day earn a degree in mathematics, following in the footsteps of his father and uncles.

As salutatorian, Nishant is extremely appreciative of the guidance he has received from his wonderful teachers, counselors, coaches, and advisors. He also thanks his family for their sacrifices, especially for moving so far from their home country and family to ensure he could receive a quality education. With the support of all these people, Nishant strives to give his best in everything he does and build a successful, meaningful future.

Northside High

Jayden Duncan - Valedictorian

Throughout his academic career, Jayden Duncan has made it his impetus to give back to the community that has provided him with a support system to achieve his goals; through involvement in community outreach programs such as Warner Robins Youth leadership and School authorized organizations such as BETA club and FBLA. These experiences have not only allowed him to contribute positively to the lives of others but have also enriched his own understanding of what it means to be part of a community. By engaging with young leaders and participating in educational initiatives, he has witnessed firsthand the transformative power of mentorship and collaboration.

Throughout his high school career, he made sure not to sacrifice his academic pursuits while partaking in volunteer opportunities. His GPA of 4.0/101.286 and the rigor of his courseload on top of my extracurricular abilities point to the evidence of his ability to give attention and priority to the ventures that he partakes in without wavering in capacity. Since the inception of his high school career, he has been an AP student-athlete, balancing a rigorous workload in conjunction with a strenuous athletic schedule that allowed little loss of focus. Upon completion of his college career and after obtaining his bachelor's from Fort Valley state as a CDEP scholar and master's degree from the Georgia Institute of Technology: he sees himself working in the polymers science industry for a large specialized or consolidated industry. He has had a long-standing interest in chemistry and engineering alike. Ultimately, his goal is to contribute to advancements in polymer technologies that not only enhance industry capabilities but also improve quality of life and environmental sustainability. By leveraging his education, skills, and passion, he is confident in building a meaningful career that aligns with both his personal aspirations and broader societal needs.

Mihir Tailor - Salutatorian

Mihir Tailor has made an impact on Northside in many ways ever since he entered high school. He participates in many different organizations, such as the Northside High School Blue Wind Band, where Mihir has served as the Saxophone Section Leader for the past three years, and helps improve and motivate the players around him. He also participates in scholarly clubs such as DECA, where he serves as vice president, and in Math Club, in which he is president. Outside of school, Mihir tutors students in both math and reading curriculum, encouraging younger and older students to prioritize academics. He has also received many honors; for example, he placed in the district honor band for three consecutive years on two

instruments and was recognized as the most outstanding band student during his junior year. Mihir placed third at the DECA regional competition during his junior year and placed in the top 10 at State in his senior year, qualifying him for nationals. Over the summer, he was recognized as a mentor in the making at the Navicent Atrium Health R.E.A.C.H internship. This year, he was the first recognized Optimist Student of the Month at Northside High School, and he placed fourth in the BETA Club Academic competitions in math. Mihir has been accepted early into the Georgia Institute of Technology and the University of Georgia but is still undecided on where to attend. He plans on majoring in biomedical engineering or biology at either university, in preparation to pursue a career in the medical field and impact lives.

Perry High

Sarah Claire Golden - Valedictorian

Sarah Claire Golden is the daughter of Vince and Peggy Golden. Sarah is the STAR Student of her class. She is an AP Scholar with Distinction and has taken 12 AP classes throughout her high school career. She has been a frequent volunteer with the Perry Public Library and has received the Peter R. Marsh Foundation Silent Servant Award for her community service. As a four-year member of the Panther Regiment Marching Band, Sarah has served as both flute section leader and woodwind captain and took part in the Grand Champion-winning show The Red Hood. Each year, Sarah has been selected for district and region honor band and has been district first chair flute 3 times. She has been a member of the varsity cross country team since her freshman year and has qualified to run at state twice. Competing on the Perry High School Literary Team, she has won region and state champion in the Argumentative Essay category.

Sarah will be attending the Georgia Institute of Technology in the fall, where she will study electrical engineering.

Chad Christiansen - Salutatorian

Chad Christiansen is the son of Beth and Peter Christiansen. Throughout high school, Chad has been a member of the Perry High School Panther Regiment for four years, including serving as section leader for one year. He has also been a member of Perry High School Theater for one year, Math Team for two years, and the competition Beta Club for one year, where he and the engineering team placed among the top five teams in the state. Chad has volunteered and served as a leader in The Church of Jesus Christ of Latter-day Saints, and he plans to serve a two-year mission following high school. He has maintained a 4.0 grade point average while taking AP Statistics, AP World History, AP Precalculus, AP U.S. History, AP Chemistry, AP English Language, AP

Calculus, AP Literature, AP Computer Science, AP Macroeconomics, and AP Physics 1 and 2. Following high school and his two-year mission, Chad plans to attend the Georgia Institute of Technology, where he will major in Aerospace Engineering.

of Houston County Class of 2026

Veterans High

Charlotte Annie White – Valedictorian

Annie White, the 2026 Veterans High School valedictorian, is an AP scholar with Distinction as well as a UGA Certificate of Merit recipient and a National Merit Commended Student. The founder and leader of the “Girls Will Be” Empowerment Group for local elementary school girls, she has participated in Perry Youth Leadership and has held leadership positions in Science National Honor Society, National English Honor Society, and Mu Alpha Theta. She is the Vice President of Operations for the VHS Engage Club, through which she attended a mock appellate court program and authored a bill for the Georgia Youth Assembly. Annie is currently the President of the VHS Concert Chorale and is a five-year Georgia All-State Choral Vocalist. Additionally, she was chosen as the Georgia Association for Gifted Children’s 2026 Teen Award and the 2026 VHS STAR student. The daughter of Lori and Nick White, she has been accepted as a Foundation Fellow at the University of Georgia, and she intends to study political science so that she can pursue a career as a constitutional or civil rights attorney.

Brooke Nicole VanDalinda – Salutatorian

Brooke VanDalinda, the 2026 Veterans High School salutatorian, is an AP scholar with Distinction as well as a UGA Certificate of Merit recipient. She has been a member of student government, the Warhawk Welcome Team, Chick Fil A Leader Academy, Rho Kappa Honor Society, and Mu Alpha Theta. Additionally, she has held leadership positions in the Spanish Honor Society, the Science National Honor Society, and National English Honor Society. She has been on our yearbook staff for three years and currently serves as an editor, and she is secretary for the VHS Engage Club, through which she served as a page at the Georgia House of Representatives. Brooke also placed 3rd place in argumentative essay writing for 5A State Literary. In her spare time, she volunteers as a 3rd grade religious education teacher at St Patrick’s Catholic Church and volunteers with Keep Warner Robins Beautiful. The daughter of Christy and Ryan VanDalinda, she has been accepted at the University of Georgia, and she plans to become an environmental engineer, minor in environmental policy and management to make sustainability affordable for all.

Warner Robins High

Analea Harper – Valedictorian

Analea Harper, the daughter of Jennifer and Travis Harper, has demonstrated outstanding academic achievement, leadership, and dedication throughout her four years at Warner Robins High School. She has completed an impressive 13 AP courses, earning qualifying scores on every exam.

Analea’s excellence extends well beyond the classroom. She has been deeply involved in a wide range of extracurricular activities, most notably serving as president of DECA for two years after previously holding an officer position. Through DECA, she competed and qualified at every level of competition. In addition, she served as president of Rho Kappa during her senior year and was an active member for two years. Her involvement also includes quiz bowl, ethics bowl, Sources of Strength, and Beta Club. She further distinguished herself by

competing in the Miss WRHS pageant all four years, earning the academic award each year.

In recognition of her academic strength and determination, Analea was nominated for the Governor’s Honors Program in both communicative arts and mathematics. She was also selected to represent her school at both the Hugh O’Brian Youth Leadership Program and the Robins Regional Youth Leadership Program. Among her honors, she was named an Optimist Student of the Month in September and received the University of Georgia Certificate of Merit.

Analea’s passion for writing has been a defining part of her high school experience. She competed in the Young Georgia Authors competition, advancing further than any student from her school in several years. She also competed at both the regional and state levels in literary competitions, earning recognition at each stage.

Her accomplishments extend to athletics as well. As a dedicated member of the softball team for all four years, Analea consistently demonstrated excellence, earning the academic award each year. In her senior year, she was honored with the Jane Gore Award in recognition of her grit, integrity, and commitment to the sport.

Following graduation, Analea plans to attend a four-year university, where she intends to major in neuroscience.

Ignacio Resendiz – Salutatorian

Ignacio Resendiz, the son of Ginger and Javier Resendiz, has distinguished himself through exceptional academic achievement, leadership, and service. Throughout his high school career, he has completed ten AP courses, earning proficient scores on every exam. His academic excellence, dedication, and exemplary character led to his nomination to the Governor’s Honors Program twice in social studies, where he advanced to semifinalist status during his sophomore year.

In recognition of his accomplishments, Ignacio has received the University of Georgia Certificate of Merit, the AP Scholar with Distinction honor, and was named an Optimist Student of the Month in October. Beyond academics, he has demonstrated a strong commitment to

leadership and service through his involvement in Youth Leadership Robins Region, as a three-year member of Sources of Strength, and through volunteer work with Heart of Georgia Hospice and his church community.

At Warner Robins High School, Ignacio has been actively involved in Beta Club, Chick-fil-A Leader Academy, and serves as secretary of Rho Kappa. He has also remained dedicated to extracurricular activities, participating in tennis, cross country, and the WRHS Demon Marching Band for all four years. As mellophone section leader during his junior and senior years, he has mentored fellow musicians and demonstrated strong leadership.

Music has played a defining role in Ignacio’s high school journey. His commitment to the French horn since sixth grade has earned him placement in district, region, and all-state honor bands. He also performs with the Mercer Brass ensemble on tenor horn, consistently earning superior ratings in brass quintet performances alongside his peers.

Following graduation, Ignacio plans to attend the Georgia Institute of Technology, where he plans to major in biochemistry.

Westfield School

Sophie Marie Walker – Valedictorian

Sophie Marie Walker, Valedictorian, is a High Honor Graduate with Distinction and the top average earner in a variety of both Honors and AP courses.

Sophie is Westfield’s 2026 STAR Student and a 2025 Governor’s Honors finalist in biology and environmental science. She has been recognized as an AP Scholar with Distinction, earning top scores on her AP Environmental Science and AP Pre-Calculus exams. Her many academic honors include The University of Georgia Certificate of Merit, Bausch + Lomb Honorary Science Award, Clarkson University High School Achievement Award, Future Baron Scholars Nominee Award, and the Rensselaer Scholarship Medal. She has also been recognized as a Furman Scholar, Wofford Scholar, and Presbyterian Junior Fellow.

Sophie has served as class secretary on the Student Council and a member of the literary team. She is also a member of Westfield’s Foreign Language Club, Book Club, Tri-Hi-Y Club, and FCA. She is a member of Perry Methodist Church, where she

has served on the Youth Leadership Board, volunteered with Vacation Bible School, and worked as a summer camp counselor.

Sophie is also an accomplished dancer and artist. Sophie has trained at Peacock’s Performing Arts Center since 2016. She continued to pursue her passion by attending Steps on Broadway’s Summer Dance Intensive in New York City. She has received multiple artistic awards, including Excellence in Art and was nominated for the Governor’s Honors Program in Dance.

Sophie is the daughter of John Gray and Sharon Walker. Upon graduation, she will attend Wake Forest University.

Kate Elizabeth Lane – Salutatorian

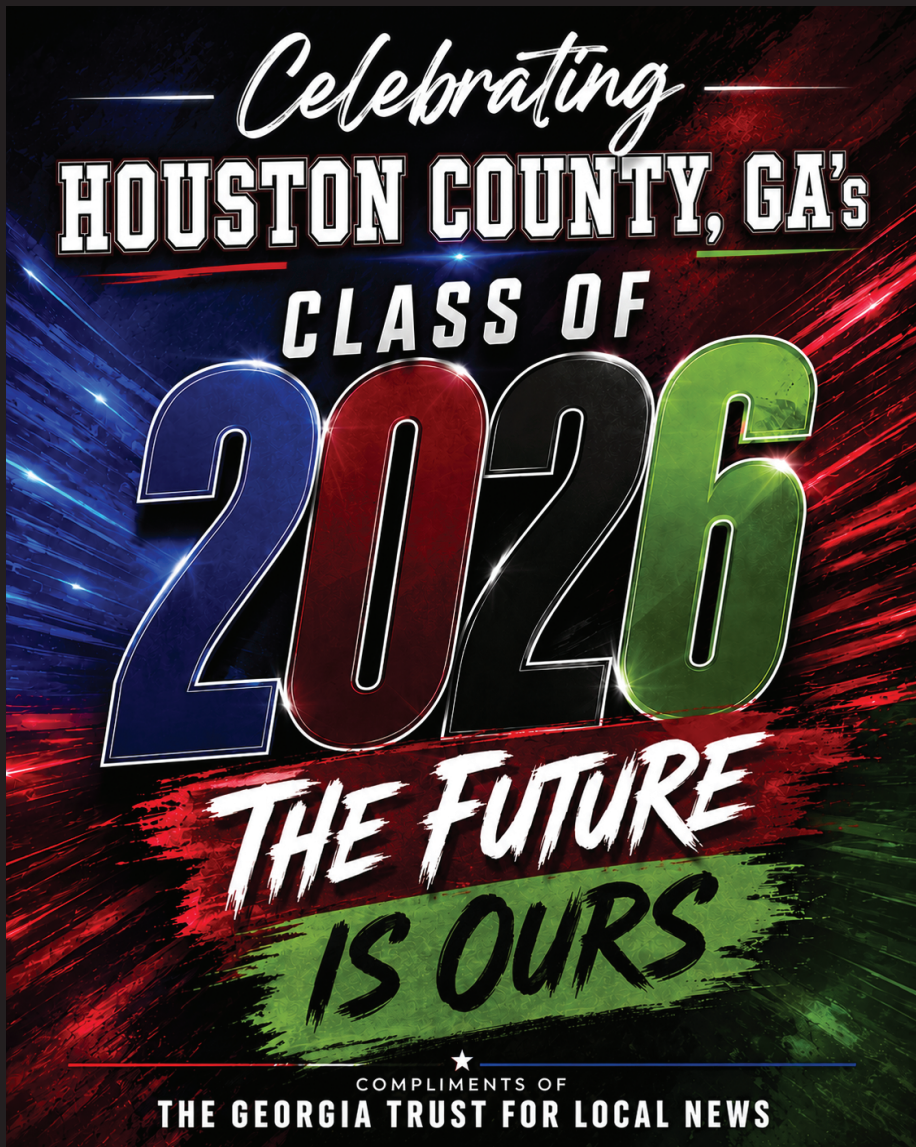

Kate Elizabeth Lane, Salutatorian, is graduating with High Honors with Distinction and is an AP Scholar with Honor.

Kate has been awarded many academic honors, including but not limited to distinguished awards such as Wofford Scholar, Presbyterian College Fellows Award, and Georgia Certificate of Merit. She was nominated in eleventh grade to the Governor’s Honors Program in English Literature. She is also a University of Rochester Frederick Douglass and Susan B. Anthony Award recipient.

She is an active member of the community and was selected for and attended the Hugh O’Brian Youth Leadership Program and participated in the Perry Youth Leadership Program. She is very involved at The Grove Church where she has been a member of the Student Leadership Team and served on multiple mission trips to Honduras.

Kate has been an integral part of Westfield’s student community and has served as chaplain of the senior class on the Student Council and as secretary of Tri-Hi-Y service organization. She has been an active member of the varsity basketball and varsity golf teams, Book Club, Beta Club, Foreign Language Club, Key Club, and Agriculture Club.

Kate is the daughter of Duke and Beth Ann Lane. Upon graduation, she plans to attend Samford University.

CONGRATULATIONS
Houston
COUNTY
BOARD OF COMMISSIONERS

Houston County High School

A Letter From The Head Of School

Houston County High School Class of 2026,

Congratulations! You made it. Houston County High School and its staff would like to express our sincere congratulations to you on reaching this milestone on the road to adulthood. This is an exciting time, and you should feel extremely proud of your accomplishments.

Make no mistake, the educational process does not stop after you graduate. Education and

learning are a continuous lifelong journey. As you embark on this new chapter, my challenge to you is to become a leader that is not satisfied with the status quo and who has a driving motivation to move their organizations, coworkers, teams, and communities to achieve goals they never dreamed were possible. Be a leader that has the vision to build on the past but sees even greater possibilities in the future and a leader that is not satisfied only by their own success, but has the values and vision to help others to succeed. Most importantly, be a leader that makes your parents, grandparents, teachers, and friends proud.

Each day over the last four years, you have heard us tell you to “Expect Excellence and Bear Down.” You have done just that, and during your time at HOCO you have achieved excellence through your hard work and perseverance. As you begin this new chapter in your life and are faced with adversity, remember the words “EXPECT EXCELLENCE and BEAR DOWN”! I have no doubt each of you will achieve all your goals and build upon the foundation you have laid for your future. Once again, thank you seniors. It has been an honor! We are immensely proud of each of you, and we thank you for allowing us the honor to serve you.

“Once a Bear, Always a Bear”

Dr. Jay K. Jones

Principal, Houston County High School

Congratulations Houston County High School Class Of 2026

Northside High School

A Letter From The Head Of School

To the Class of 2026,
Congratulations to the
Class of 2026!

It may seem like yesterday when you walked in as a freshman nervous yet excited. As a sophomore, you thought you had it figured out but eventually realized you had a long way to go. By your junior year you hit your stride as you found your direction, your people, and yourself. Finally, in your senior year you wondered where the time had gone and how you could possibly fit in everything else you wanted to accomplish during high school into your final year. Throughout your four

years at Northside High School, you have had the opportunity to experience and learn many lessons and to make memories that will last a lifetime. Your efforts in the classrooms and your dedication to extracurricular activities have helped shape you into the young adults you have become.

I know there is still uncertainty; however, you are ready for whatever life brings your way. The lessons you have learned in these halls and on our stages, courts, and fields will help you be successful in whatever comes next. Take the advice of your teachers, coaches, sponsors, counselors, administrators, and other adults in the building that you have learned from and put them into action. Don't just exist in your next chapter but soar above the rest as Eagles do.

During the graduation ceremony, soak it in...cherish it! Take pictures at practice, hug your friends, and think about all the sacrifices your family has made to help you get to this big day. It is your day, and you deserve it. So, smile, let your family take way too many pictures and accept the words of praise and gifts with a smile and gratitude. You only get one high school graduation day, and it will fly by way too fast.

I am so proud of you all, and I can't wait to watch you thrive. Congratulations! You did it! It's Great to be a Northside Eagle!

Once an Eagle, always an Eagle,

Dr. Dustin Dykes
Principal

Perry High School

A Letter From The Head Of School

To the Graduating Class of 2026:

Congratulations! When you walked into the hallways of PHS only a few years ago, many of you could not imagine what this day might feel like. Well, your time has come. You are here, and you have made it. I know that many of you have encountered some very difficult trials along the way. Those challenges you faced should make this milestone achievement that much sweeter. The work ethic you have displayed and your devotion to your studies deserve both high praise and thoughtful recognition.

As you prepare to close out one chapter of your life and dedicate yourself to the pursuit of the next, do not forget to take some time to live in the moment. Look into the faces of your fellow graduates and recall those special times you all have shared with each other through the years. Make the absolute most of the fast and fleeting instances that you will get to share with each one another in the last few days. Once graduation is over, your adult lives will come into very sharp focus, and the choices you have made thus far will take many of you in very different directions.

Some of you have elected to join the military where you will proudly serve our country. I want to personally thank you in advance for both your sacrifice and your service. Others of you will head off to your respective colleges, universities, and technical schools where you will begin to pursue a degree that will enable you to carve out a life for yourselves. Even if you have opted to enter the work force right away, at some point you all will be tested and must make difficult decisions. Whatever direction your life takes you, I am confident that you have acquired many of the tools you will need to excel and become productive members of society.

In closing, even though you are preparing to part ways from each other, do not forget you are a member of Perry High School's graduating Class of 2026. The resilience you have shown these past 13 years is commendable, and it is my greatest wish that all of you get to experience the very best that this life has to offer.

Congratulations, Class of 2026! May you continue to have Panther Pride in everything you do.

Sincerely,

Dr. Art Billings, Principal, Perry High School

Congratulations

to the Class of

2026

It is in dreaming the greatest dreams...
seeking the highest goals that we build the brightest tomorrows.

Best Wishes for a Successful Future

Veterans High School

A Letter From The Head Of The School

To the Class of 2026:
Congratulations! Your time at the V is coming to a close, and it is difficult to grasp how quickly your time with us has passed. You have had a profound impact on our school community, your teachers, and your peers, and we are better for it. The type of impact you continue to make, and the legacy develop and leave going forward is in your hands.

Character. Service.
Leadership. Growth.
Work Ethic. Excellence.
Citizenship. Resilience.

Along with “setting the standard,” these are core values for who we are at Veterans, and you have certainly developed all of these elements in your time here. Beyond the tests, homecoming weeks, proms, tardies, and exemptions, you have developed into young adults we are proud to call “warhawks.” You have spent four years preparing for this moment, and you have truly measured up to being “graduates of character in an environment of excellence.”

Embracing these values and building on challenges will equip you to step into the next stage of your life, recognizing you have many unknown trials ahead. Developing character, resilience, strength, discipline, compassion, understanding, and relationships will fortify your future, and allow you to weather any storm. Choose wisely and courageously in all that you do. Always be your authentic self and know that you alone own your future. You -alone -can make it what you want, and you are equipped to do exactly that.

You are the Class of 2026. You are Warhawks. You will always be ours. And we are so proud.

Congratulations, and all the best!

Amy Barbour, Ed. D

Warner Robins High School

A Letter From The Head Of School

To the Graduating Class of 2026:

Congratulations, you are days away from graduating. Days away from closing one chapter and opening the next chapter in continuing your journey through life. Days away from fulfilling our vision of changing lives. Your teachers, family, and friends have helped mold you into successful young adults. The rest of your journey will not be easy, but you are ready to thrive!

Your time at Warner Robins High School has been filled with memories that you will cherish

throughout life. It has also been filled with Demon PRIDE. During your journey you have learned to be Prepared, be Respectful, have Integrity, be Disciplined, and give Effort. These five words spell PRIDE and will always be the foundation of everything you do in life.

Remember this is your school, your home – always take pride in being a Demon! Since 1944, Warner Robins High School has built a tradition of excellence. Many students have traveled these same halls and classrooms before you preparing for success in all phases of life. Keep this tradition of success alive and strong.

As you go forward, I remind you of the words that have surrounded us throughout our years together... “WE CAN, WE WILL, WE MUST... Change Lives.” Our vision represents a simple but powerful message for Demon Country. May these words go with you and stay with you as you go forward to inspire generations to come. Thank you for inspiring all of us and we wish you the very best!

Always a Proud Demon,

Dr. Brett Wallace, Principal

Congratulations to the

The Westfield School

A Letter From The Head Of School

On behalf of the Board of Trustees, along with the faculty, staff, and administration of The Westfield School, I am honored to celebrate the achievements and accomplishments of the Class of 2026.

The members of the Class of 2026 have distinguished themselves in many ways through academic excellence, participation in athletic and literary competitions, performances in the arts, service to their school and community, and the development of strong leadership skills that will serve them well beyond Westfield. They are thoughtful problem solvers, engaged learners, and individuals of character and compassion. We are incredibly proud of this group of students.

As you reach this important milestone, we commend you for your perseverance, commitment, and success. It has been a privilege to watch you grow during your time at Westfield. You have approached challenges with determination, pursued knowledge with curiosity, and supported one another with respect and kindness. Your contributions across academics, athletics, fine arts, and service have left a lasting impression on our school community and will continue to inspire those who follow.

We are especially proud to recognize our valedictorian, Sophie Marie Walker, and our salutatorian, Kate Elizabeth Lane, for their exceptional academic achievements. Their dedication and pursuit of excellence have set a standard for their classmates, and we look forward to all they will accomplish as they continue their education, with Sophie attending Wake Forest University and Kate attending Samford University.

We would also like to recognize Makayla Richardson, a member of the Class of 2026, on her appointment to the United States Military Academy at West Point. This distinguished honor reflects her leadership, discipline, and commitment to service. Her acceptance to West Point is a testament to her character, and we are confident she will represent Westfield with pride as she begins this important journey.

To the parents and families of our graduates, thank you for your steadfast support and partnership with Westfield. Your encouragement and involvement have played a vital role in the success of these students. I also extend my sincere appreciation to our faculty and staff for their unwavering dedication to educating, mentoring, and guiding our students.

We celebrate the Class of 2026 and take great pride in all you have achieved. We are confident that you are well prepared for the opportunities and challenges that lie ahead. It is our hope that you will carry the values of Westfield with you and one day return to contribute to your communities. Congratulations, Class of 2026!

Sincerely,

William Carroll,
Head of School

Eleven Seniors in Houston County Named as 2026 Georgia Scholars

HOUSTON COUNTY, GA – Eleven seniors from the Houston County School District were named as 2026 Georgia Scholars by the Georgia Department of Education (GaDOE). Georgia Scholars exhibit excellence in all phases of school life, community activities, and in the home. They carry rigorous course loads during their four years of high school and perform at the highest levels in all courses.

These students also successfully participated in interscholastic events and have assumed active roles in extracurricular activities.

The following students named as Georgia Scholars will receive a special seal for their diploma and a district designed graduation cord to note this distinguished recognition:

**Andrew Bragg,
Houston County**

**Michael Do,
Houston County**

**Claire Jefferson,
Houston County**

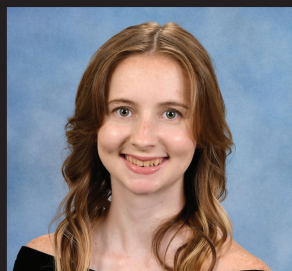

**Nathan Phan,
Houston County**

**Roman Smith,
Houston County**

**Mihir Tailor,
Northside**

**Sarah Golden,
Perry**

**Sydney Trainer,
Perry**

**Rabun Perdue,
Veterans**

**Brooke VanDalinda,
Veterans**

**Charlotte White,
Veterans**

“These students represent the continued excellence of Houston County students,” said Dr. Olethia Calhoun, Director of Gifted Education. **“Their efforts in and out of the classroom have earned them this well-deserved recognition, and we are proud of their achievements.”**

A total of 162 students statewide were named as a Georgia Scholar. The Georgia Scholar program is coordinated by the GaDOE Excellence Recognition Office and through local coordinators in school systems across the state.

All information provided by the Houston County Board of Education
